

Spelling- Using Magnetic Letters and Pictures.

1. Insert the Magnetic letters activity from the resource browser onto the page. It can be found in *Activities and Templates* → *Activities* → *Alphabet Activities*.
2. Place some pictures from the resource browser on the page. (Clip art type images can be found under *Subjects* → *General*).

3. Click on the shapes icon and then select the arrow from the shapes menu.
4. Move out to the flipchart page and then left click and drag to draw a small arrow.

5. Select the cursor icon from the main toolbox and left click on the arrow.

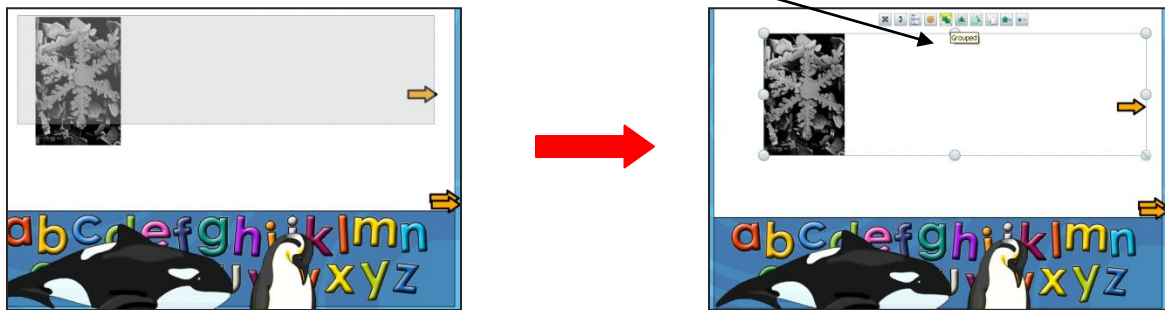

6. Click on the duplicate icon  to duplicate the arrow, so you have enough arrows for one arrow per picture.

7. Place one picture and one arrow in the middle of the page at either side of the page (move the other pictures and arrows to the bottom).

8. Left click and drag a fence across the picture and the arrow.

9. Left click the grouping icon , so it turns yellow. This shows the objects are permanently grouped.

10. Push the picture off the page, so just the arrow is showing on the left hand side.
11. Repeat for each picture.
12. Students pull out a picture and then spell the word using the magnetic letters.
